Greater Calumet Area USBC Bowling Association

WELCOME

Welcome bowlers and friends,

When organizations reach milestones, they are always reasons to celebrate.

Today, the Greater Calumet Area USBC Bowling Association marks its 25th Annual Hall of Fame and Awards banquet. We are very proud of the way we have honored local bowlers over the years at this event and how we've introduced ourselves to some of the top names in bowling.

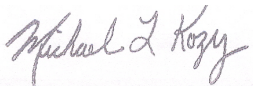

Since 1987, thousands of local bowlers have been honored at this event and 74 men will have been inducted into our Hall of Fame after today.

But today's anniversary event is another milestone: This is the last GCABA Hall of Fame and Awards Banquet.

Next year's banquet will celebrate the 2011-12 bowling season as the first in the merged Greater Calumet Area USBC with a new Hall of Fame, but with the same mission to honor local bowlers and their accomplishments.

We look forward to building the new organization – the Greater Calumet Area USBC -- with new programs, tournaments and events. The merger of the GCABA and the Calumet Women's Bowling Association gives us the opportunity to present an all-inclusive team for local bowling.

Thanks for your support.
