

The GCABA is seeking nominations for its Hall of Fame.

Resumes will be accepted through June 1 for candidates in the superior performance and meritorious service categories. For help with a resume, visit the GCABA website's Hall of Fame page and download a form. Visit the page at <http://www.gca-usbc-ba.org/HOF.html>

After resumes are submitted, the GCABA's Hall of Fame committee will vet the information and select a group of candidates for this year's election. Those elected to the Hall of Fame will be honored at the association's 25th Annual Hall of Fame and Awards Banquet in December.
